Morato Kitchen Factory

At Morato Kitchens, we specialize in creating bespoke kitchen solutions tailored to the needs of our B2B partners. Our state-of-the-art factory is equipped with the latest technology, ensuring precision and quality in every piece we manufacture.

Partnering with Morato Kitchens means access to our exclusive retail program, dedicated support, and innovative designs that set you apart in the market. Elevate your offerings with kitchens that inspire and impress.

Join us and experience the Morato difference. Let's create exceptional spaces together. Contact us today to learn more about how Morato Kitchens can elevate your business.

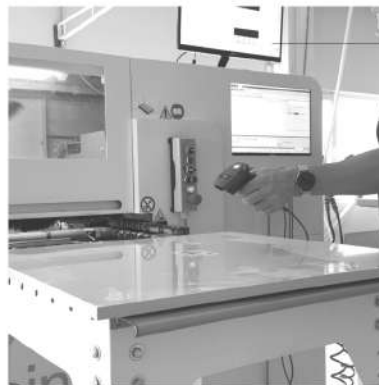

Press cabinet

The kitchen cabinet assembly machine automates the process of joining the individual cabinet components. This results in fast and precise assembly, saving time and effort. For the user, this means high-quality cabinets with accurate dimensions and strong connections, ensuring a long-lasting and reliable kitchen.

CNC

It guarantees perfect cutting and is integrated with CAD/CAM software for greater flexibility in design and production.

CNC Milling Machine

Ensures accuracy and consistency in every operation, minimizing human error.

Packaging machine

A furniture wrapping machine is a device that wraps furniture in stretch film to protect it during transportation. The kitchen arrives in excellent condition with no damage, scratches or dirt, providing a higher level of satisfaction and peace of mind.

Morato kitchen fabric

Morato Kitchen Factory is one of the fastest-growing companies in the kitchen manufacturing segment. Creativity and design are deeply woven into Morato Kitchen Factory's corporate culture.

History

Morato kitchen fabric

2006

Morato company was established. It was created with the main activity - furniture production. It works both to order and for mass production.

2015

In 2015, the factory was set up for kitchens only. We mainly manufacture modern cabinets. That is the reason we opened a new design studio in Bari, Italy where our designers and engineers increasingly changing the outlook and development concept of the company. Many expensive and valuable projects are built during this period.

2020

A kitchen production line is launched. On it, basic operations are performed, including assembly of the press module, after which the mechanisms of the module are installed, and cleaning and packaging of each cabinet. Placing it on a euro pallet and packing it. A system has been built in which the kitchen can now be transported in an assembled state to any part of the world.

2024

The company continues to grow and at the beginning of 2024, we opened our first showroom in New York. We have started cooperation with many dealers.

Kitchen cabinets

Custom cabinet

Welcome to a breathtaking contemporary kitchen that defies convention with its bold use of dark colors, setting a new standard for modern sophistication. This avant-garde culinary space embraces the allure of deep hues, creating an atmosphere that's both dramatic and inviting. In this stunning kitchen, the fusion of sleek design and dark tones creates an ambiance that exudes luxury and style. The cabinetry, finished in rich, deep colors like charcoal, midnight blue, or elegant black, commands attention with its clean lines and sophisticated aesthetic. These darker shades lend a sense of depth and opulence, adding an element of mystery and allure to the space. The centerpiece of this contemporary marvel is its spacious countertops and island, characterized by their sleek surfaces and striking contrasts. Adorned with dark-colored stone or quartz, these countertops exude a modern elegance, providing a perfect canvas for culinary creations and social gatherings alike.

Standard cabinet

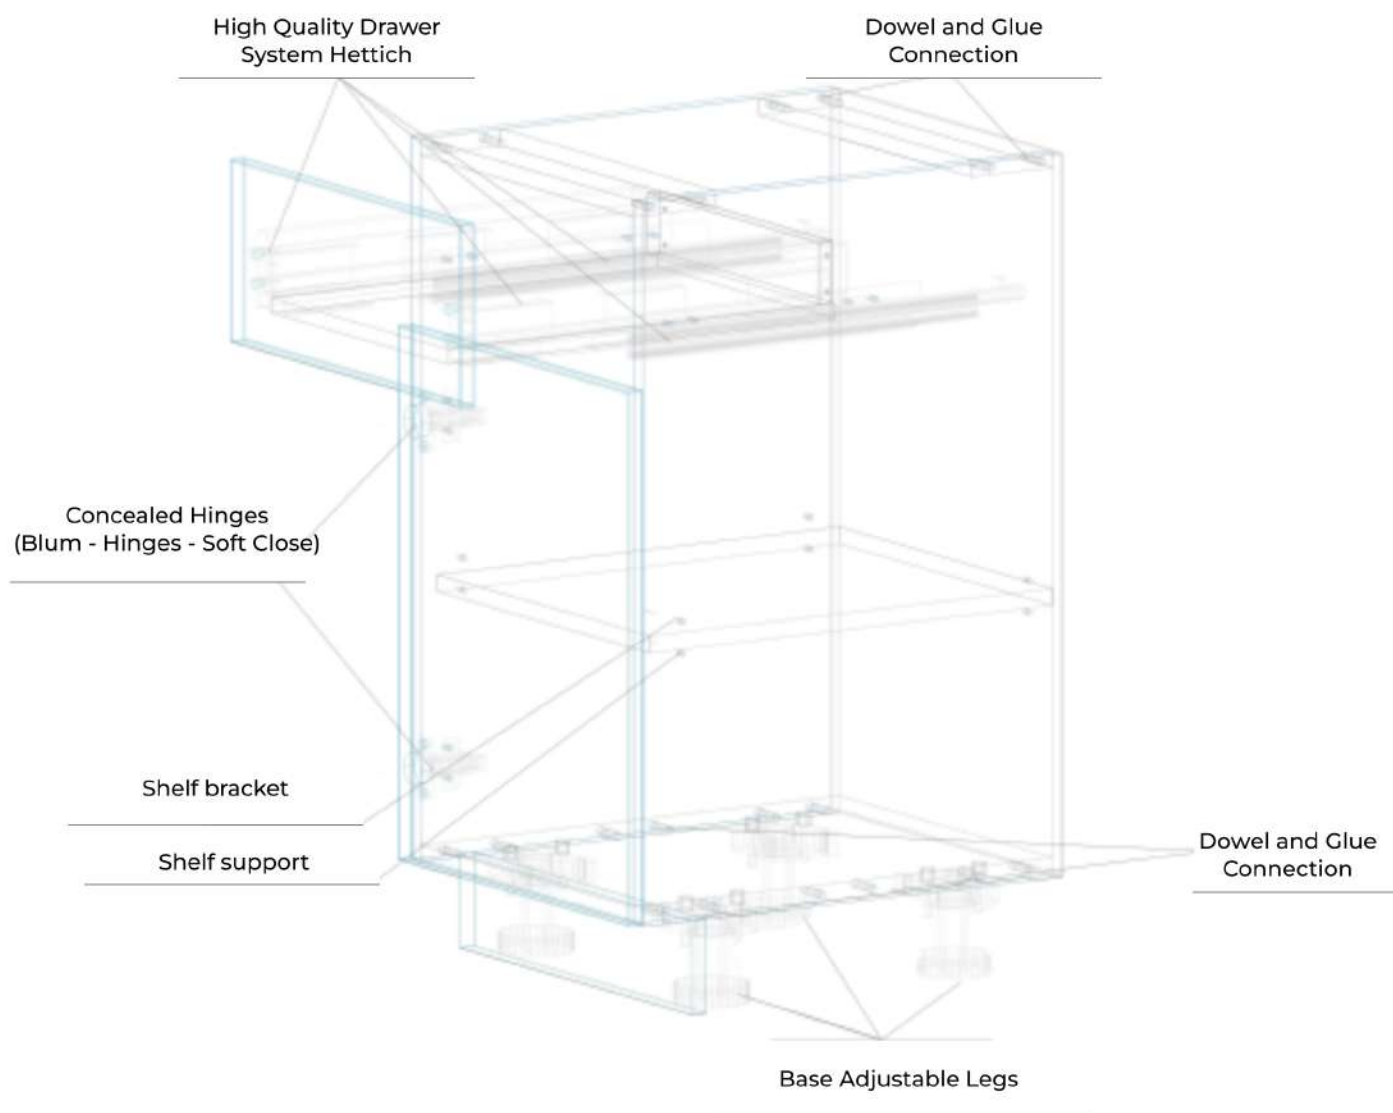

Introducing Novana - a contemporary kitchen masterpiece crafted with precision and style. Our modern kitchen, designed with MDF, is a testament to sophistication and functionality. Embracing the latest trends in interior design, this kitchen exudes elegance and practicality, perfectly suited for the heart of your home.

The centerpiece of this kitchen is its stunning island, featuring a luxurious marble worktop that adds an element of timeless beauty. The smooth and durable marble surface not only elevates the aesthetics but also provides a resilient workspace for culinary endeavors and social gatherings.

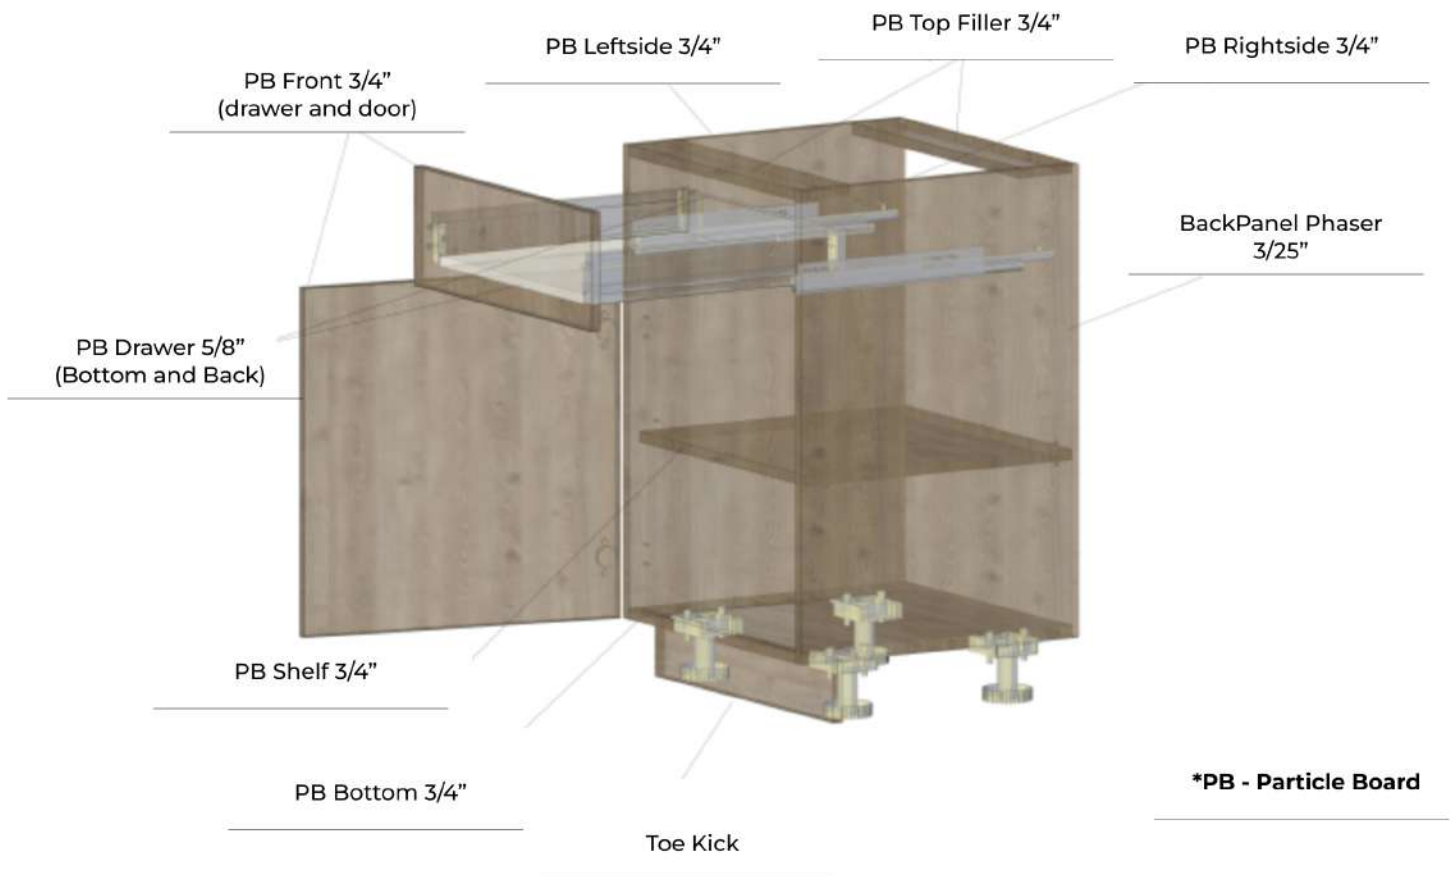

From European high-quality MDF, the cabinetry showcases sleek lines and a seamless finish. This material not only ensures durability but also allows for endless customization options. Whether it's a minimalist matte finish or a glossy contemporary look, the versatility of MDF allows for a range of design possibilities to match your unique style preferences.

Cabinet facing S2- PET FOILS- MATT/ GLOSS

What it PET ?

MDF PET FOIL is the ideal choice for the highest standards of quality and sustainability. This high-quality furniture film differs significantly from the usual PET films on the market. Thanks to the premium lacquer layer, the product offers unique properties that make a decisive difference over the entire service life.

The product not only impresses with its outstanding quality, but also with its environmentally friendly production. The sustainable PET film meets the highest standards and is perfect for anyone who values both aesthetics and durability in furniture.

Discover the advantages of premium PET film and let us convince you of its special properties, which may not be visible at first glance, but play a major role in everyday life.

The PET Premier matt MDFs embodies stunning matt aesthetic of the thermoplastic film offers a timeless elegance that is both classic and modern, elevating any project to the height of contemporary sophistication.

Advantages:

- Anti-fingerprint effect
- Scratch resistance
- Chemical resistance
- Easy to clean
- Super matt, smooth surface
- Pleasant surface feeling
- Scour resistant

The PET MDF Gloss laminate surface embodies the pinnacle of luxury, combining the brilliance of high gloss with unparalleled stability and a mesmerising depth effect. This stunning collection is a representation of craftsmanship and durability, meeting the most exacting standards for workability and longevity.

Advantages:

- Excellent scratch resistance
- Enormous chemical resistance
- Anti bac
- Outstanding stain resistance
- Pleasant surface feeling

Drawers Tandem Box

One system. Countless possibilities.

At Morato Kitchens, we specialise in creating bespoke kitchen solutions tailored to the needs of our B2B partners. Our state-of-the-art factory is equipped with the latest technology, ensuring precision and quality in every piece we manufacture.

Partnering with Morato Kitchens means access to our exclusive retail program, dedicated support, and innovative designs that set you apart in the market. Elevate your offerings with kitchens that inspire and impress.

Join us and experience the Morato difference. Let's create exceptional spaces together. Contact us today to learn more about how Morato Kitchens can elevate your business.

One cabinet profile. Countless applications.

Our tried and tested TANDEMBOX cabinet profile delivers top quality motion and enhanced user convenience. The secret lies in its low-friction cylindrical nylon rollers which guarantee a feather-light glide and dynamic carrying capacities of 30 and 65 kg. And thanks to soft-close BLUMOTION, drawers and pull-outs always close softly and effortlessly - a furniture lifetime.

Quality to the touch

Blum has optimised the drawer side and developed a new front fixing bracket to further increase box stability.

Easy opening

Minimal opening forces and an even smoother transition to the feather-light glide ensure that pull-outs and drawers open with ultimate ease.

Optimised feather-light glide

Drawer side and cabinet profile components have been further refined to optimise the feather-light glide and deliver even smoother running characteristics.

Hinges - Soft Close

The secret's inside!

CLIP top BLUMOTION combines innovative technology, award-winning design and top quality motion within the smallest space, for soft-close BLUMOTION has been seamlessly integrated into the boss.

155° wide angled application

Our 0-protrusion hinge allows you to implement inner pull-outs in the SPACE TOWER cabinet.

BLUMOTION is integrated in the hinge boss

Impeccable, clock-like precision. Integrated soft close is innovative technology at its best. Effective and integral to delivering soft and effortless closing to cabinet doors.

Perfect motion for every door

Soft-close BLUMOTION adapts to the dynamics of every door. So all doors have a smooth closing action regardless of size, weight or force with which you close them.

Soft close geared to your needs

The BLUMOTION feature can be deactivated to ensure that even smaller or lighter doors boast top quality motion.

Creating new possibilities

The 110° hinge allows you to implement thicker doors of up to 24 mm – depending on application. The new pivoting point prevents collision with the cabinet front edge when the door is open.

Shallow boss drilling depth

The CLIP top BLUMOTION 107° hinge requires impressively little drilling depth (just 11.5 mm). So the hinge is suitable for thin door depths of 15 mm or more.

Good design has multiple advantages

For us, design elegance is a perfect combination of function and form. That's what makes CLIP top BLUMOTION so outstanding.

5 years warranty

From production to quality assurance.

Morato Kitchen USA LLC ("Morato") provides this 5-year limited warranty ("Limited Warranty") to the original purchaser, referred to as the "First Customer of Morato," of any cabinet sold by Morato (each, a "Product"). This Limited Warranty applies solely to Products sold to the First Customer of Morato and used within the specified applications in the United States. This Limited Warranty is non-transferable and non-assignable, and any subsequent owners or customers after the First Customer of Morato do not have the privilege of this warranty. A "First Customer of Morato" is defined as follows:

- An individual or business entity, such as a builder, contractor, or developer, that purchases the Product either to install in a new or remodelled home intended for use by the initial owner as a primary or secondary residence or to sell the Product for such purposes. In this case, the Limited Warranty may transfer to the initial owner but not to any subsequent owners.
- This Limited Warranty excludes rental properties and does not apply to landlords, leasing companies, or other commercial buyers.
- Subject to the conditions and limitations described in this Limited Warranty, Morato warrants to the First Customer of Morato that each Product will be free from defects in materials and workmanship under normal use and maintenance for the specified warranty period. This Limited Warranty provides the First Customer of Morato with specific legal rights, which may vary from state to state.
- Subject to the conditions and limitations described in this Limited Warranty, Morato warrants to the First Customer of Morato that each Product will be free from defects in materials and workmanship under normal use and maintenance for the specified warranty period. This Limited Warranty provides the First Customer of Morato with specific legal rights, which may vary from state to state.
- Performance Guarantee: Morato guarantees that the Product will perform as intended under normal usage conditions for the duration of the warranty period.
- The Limited Warranty for the First Customer of Morato starts on the purchase date of the Product, whether by the First Customer of Morato or by a third party on their behalf. The warranty is valid only if the dwelling is used as the primary or secondary home of the First Customer of Morato and is not transferable to future property owners.

Kitchen Warranty

This limited warranty is the sole and exclusive warranty provided by morato for the products. All implied warranties are strictly limited to the duration of this limited warranty, including, but not limited to, warranties of merchantability or fitness for a particular purpose. morato shall not be liable to the first customer of morato or any third party for any incidental or consequential damages, including personal injury, lost profits, loss of business opportunity, loss of property, economic losses, or statutory or exemplary damages, whether arising from negligence, warranty, strict liability, or otherwise.

EXCLUSIONS:

This Limited Warranty Does Not Cover Any Product:

- Installed Or Used Outdoors;
- Used For Purposes Not Intended By Morato;
- Subjected To Misuse, Vandalism, Abuse, Negligence, Accident, Or Unauthorized Modifications;
- Improperly Stored (Products Should Be Covered And Stored In A Humidity- And Temperature-Controlled Environment, Away From Direct Sunlight);
- Improperly Installed, Cleaned, Or Maintained (Refer To The Use And Care Instructions Provided With The Product);
- Exposed To Extreme Temperature, Moisture, And/Or Humidity Conditions (Outside The Range Of 50-85°F (10-29°C) And 30-55% Humidity);
- Damaged By Fire, Flood, Acts Of God, Or Other External Causes Beyond Morato's Control;
- Affected By Variations In Color And Characteristics Due To Age, Sunlight, Smoke, Or Environmental Conditions;
- Showing Effects On Color Or Finish Due To Abrasive Cleaners, Chlorine-Containing Cleaners, Acidic Cleaners, Scuffing Sponges, Or Steel Wool;
- Exhibiting Normal Wear And Tear.

To Maintain Your Cabinetry, Clean Regularly With Water And A Mild Detergent. For Tougher Dirt, Use Warm Water And A Damp Cloth Or A Scotch Brite Delicate Sponge Pad With A Small Amount Of Non-Abrasive Cleaner That Does Not Contain Bleach. Always Use Trivets And Hot Pads When Placing Hot Skillets, Pans, Crock-Pots, Or Other Heat-Generating Kitchenware On The Surface. Using Cutting Boards And Avoiding Dropping Or Moving Heavy Objects On The Surface Will Help Ensure Its Long-Lasting Beauty. Proper Maintenance As Outlined Is Required To Keep The Warranty Valid.

Natural Wood Variations In Color And Characteristics, And Changes Over Time, Such As Cracking Around Joints Or Color Changes, Are Normal And Not Covered Under This Limited Warranty.

SOLE AND EXCLUSIVE REMEDY:

If A Defect In Workmanship Or Materials Occurs During The Warranty Period, Morato Will, At Its Discretion, Repair Or Replace The Defective Product Or Component. If Repair Or Replacement Is Not Feasible, Morato May Refund The Original Purchase Price Or Provide A Credit Towards A Similar Product. These Remedies Are The First Customer Of Morato's Sole And Exclusive Remedies For Any Product Defect. Morato Will Cover All Shipping Costs For Returned Items And Any Labor Costs Associated With The Repair Or Replacement Within The First Year. The Following Costs Are Not Covered:

1. Labor Costs For Installation, Removal, Or Reinstallation Of The Product Or Any Defective Part Beyond The First Year.

2. Labor Or Material Costs For The Removal, Reinstallation, Repainting, Refinishing, Or Replacement Of Any Other Items Or Building Materials Necessary To Repair Or Replace The Defective Product.

Claims For Warpage, Joint Separation, Or Wood Growth May Be Deferred For Up To Twelve (12) Months To Allow The Product To Acclimate To Its Environment. Morato Reserves The Right To Modify Or Alter Any Product Design, Specifications, Or Materials Without Obligation To Update Previously Sold Products. Warranty Claims For Obsolete Products May Be Resolved By Replacing The Affected Product With A Similar Style Or Color From Morato's Current Offerings. Exact Matches Cannot Be Guaranteed Due To Natural Aging Processes Affecting Color And Grain.

LIMITATION OF LIABILITY: Except As Required By Law, The Remedies Described Are The First Customer Of Morato's Sole And Exclusive Remedies, And Morato's Total Liability Shall Not Exceed The Purchase Price Of The Defective Product.

CLAIM AND REGISTRATION PROCESS: All Claims Must Be Submitted In Writing To Morato At Assistant@Moratokitchens.Com, Detailing The Defects Present In The Products And/Or Product Components. The Claim Should Include Proof Of Purchase And Any Other Relevant Documentation. Morato Aims To Respond To Warranty Claims Within 30 Days Of Receipt. You Can Register Your Warranty At Assistant@Moratokitchens.Com
